

How to make a flat circle with trebles

Notes

Start with a magic loop. Begin each round with 2 ch. Join the end of the round with a slip stitch into the first tr of the round - ignore the chains as if they aren't there, this avoids any holes showing in your work along the seam line.

Round 1 - 12 tr into the loop - 12

Round 2 - 2 tr into each tr - 24

Round 3 - 2 tr into first tr, 1 tr into next tr, repeat to end - 36

Round 4 - 2 tr into first tr, 1 tr into next tr, 1 tr into next tr repeat to end - 48

Round 5 - 2 tr into first tr, 1 tr into next tr, 1 tr into next tr, 1 tr into next tr - 60

Round 6 - 2 tr into first tr, 1 tr into next tr, 1 tr into next tr, 1 tr into next tr, 1 tr into next tr - 72

Round 7 - 2 tr into first tr, 1 tr into next tr, 1 tr into next tr, 1 tr into next tr, 1 tr into next tr, 1 tr into next tr - 84

Carry on with this formula, adding 12 stitches every round until it reaches the required size.

Here is the formula at a glance

12 tr

2 tr x 12 = 24

2 tr, 1 tr x 12 = 36

2 tr, 1 tr, 1 tr x 12 = 48

2 tr, 1 tr, 1 tr 1 tr, x 12 = 60

2 tr, 1 tr, 1 tr, 1 tr, 1 tr x 12 = 72

2 tr, 1 tr, 1 tr, 1 tr, 1 tr, 1 tr x 12 = 84
